

To brake or not to brake? With 50% more light, you'll know. **OSRAM SILVERSTAR®.**

The BILUX® H4 OSRAM SILVERSTAR® – also H1 and H7 lamps – lights up roads up to 50% brighter than conventional car headlights, so you can spot danger earlier, and react faster. And with the H4 and H7, the exclusive silver tip makes sure that you always look your best. Discover more light for more safety at www.osram.com
